

My Fun

Fox Academy

My fun, my fun
Doing pushups in the bathroom at the bar
Berry scented lotion that glistens on your arms

My fun, my fun
Nothing like my fun, my fun
It feels right the one, the one
And only, glowing bright like the sun
My fun, my fun
Nothing like
(Big, pink, towery, flowery, sour sting
Looks like a ring around me?)

My neighbor tells me fight stories
On the patio I feel so at ease

Nothing like my fun, my fun
It feels right the one, the one
And only, glowing bright like the sun
My fun, my fun
Nothing like

My fun, my fun
Nothing like my fun, my fun
It feels right the one, the one
And only, glowing bright like the sun
My fun, my fun
Nothing like
(Big, pink, towery, flowery, sour sting
Looks like a ring around me?)
