

Drink a dirty puddle
It's a pretty puzzle
Everything
Everything
Falls into place
Gravedigger
Dirt lifter
Don't litter
Or it hurts
Dust fire
Pink marker
Villainous
James harden
What's so funny?
I don't know
What's so funny?

Even from my good side
I don't look right
I hate where my mind goes
Half of the time
Guess we all get older now
I don't wanna be here if you're not
I'll remember you
You said

Tough talk
But I'm nice
I-i-i-i've lived a lot of lives
Linked up
Chain fence
I've been on my way to the deep end
I don't waste my time
You don't need to save my life
What's so funny?
I don't know

Even from my good side
I don't look right
I hate where my mind goes
Half of the time
Guess we all get older now
I don't wanna be here if you're not
I'll remember you
