

Dressed up nice for the dentist  
Saying "Have a good day" again  
I could I could  
I could I could

Two dogs biting relentless  
Fell asleep at the apple store  
Easter egg write a message  
Funny necklace  
Funny necklace  
When the light hits

I would I would  
Free myself  
I could I could  
Heal myself

I heard something gut-wrenching  
Can I help the next customer?

I would I would  
Feed myself  
I could I could  
See myself  
I could I could  
I could I could
