

Rosary

Fox Academy

Wedding venue with the window cracked
Leather jacket with a Chevy patch
Do I buy them all or do I not?
Do I wanna a lotta, lotta, lotta, lotta, lotta

Watching videos of people
Cooking, eating dinner
Watch five movies in one sitting
Big sky looks like Nascar
Pink and pretty, soft and frilly
I'll do it all again tomorrow

Washing dishes in the bathroom sink
I still have so much ahead of me
Safeway sushi
Life is funny
2014, Slaughter High
And rosary on door

I feel like I'm
Ready to find
Something that's right
Something that's right

I feel like I'm
Ready to find
Something that's right
Something that's right
