

All or nothing
When I sit on the laundry room floor
I bought clothes
And I threw them away
I might die in a day
I might change my name
I wish I could know
Trophy case gold

I don't expect much at all
I got things I did wrong
I'm a saint when I want
I'm a saint when I want

I get bad
I get bad
Please get back

I don't want you to hate me
