

All This Time

Fox Stevenson

I don't mind, 'cause this is something that I have to find
After all this time, I'll be okay,
'Cause when the skies turn black and the floor beneath me starts to crack
You know I'm coming back today

You know I'm coming back today

I don't mind, 'cause this is something that I have to find
After all this time, I'll be okay,
'Cause when the skies turn black and the floor beneath me starts to crack
You know I'm coming back today

I know that it's too hard to find a little piece of mind in this crazy storm
So we'll go wherever we feel like, 'cause I'm that kind of guy
You've been warned

Well, as a last resort,
We're gonna give it one more try,
We'll give it one more shot, and one more go
And it'll be all for not,
If after all this time,
We've given all we've got and still don't know.

I don't mind, 'cause this is something that I have to find
After all this time, I'll be okay,
'Cause when the skies turn black and the floor beneath me starts to crack
I Don
