

Better Now

Fox Stevenson

I've been spending too much time talking to cameras
I've been doing this so long, I don't remember why
I need a movement
I need a shakedown
I need a freefall
Ohhh, 'cause I'm dying
Yeah I'm

Barely alive but I'll
Give it a try, I've been
Livin' a lie, but I'm
Better now
Barely alive but I'll
Give it a try, I've been
Livin' a lie, but I'm
Better now

Barely alive but I'll
Give it a try, I've been
Livin' a lie, but I'm
Better now
Barely alive but I'll
Give it a try, I've been
Livin' a lie, but I'm
Better now

Well I know I've spent too much time just thinking 'bout what I don't know
Maybe there's a better place for me that I could call home
I need a movement
I need a switch-up, yeah
I need a pick-me-up
'Cause I've fallen

We don't have to go through these changes alone
We don't, no no no no

Spent my life moving up and down
Fighting fires all over town
I do the time but time's running out
But I know one thing
I'm better now

Barely alive but I'll
Give it a try, I've been
Livin' a lie, but I'm
Better now
Barely alive but I'll
Give it a try, I've been
Livin' a lie, but I'm

Barely alive but I'll
Give it a try, I've been
Livin' a lie, but I'm
Better now
Barely alive but I'll
Give it a try, I've been
Livin' a lie, but I'm

Better now
