

## Bring A Coat

Fox Stevenson

What you fear  
Isn't what you fear  
It's cold out here  
Bring a coat  
What you fear  
Isn't what you fear  
It's gotten so cold out here  
Bring a coat

What you fear  
Isn't what you fear  
It's cold out here  
Bring a coat  
What you fear  
Isn't what you fear  
It's gotten so cold out here  
Bring a coat
