Comeback

Fox Stevenson

We've been learning about letting go,
But it's something that we'll never know.
Somebody's telling us 'no'.

What's this? Oh my god,
Climbing from the bottom takes way too long!
Tell everybody that I'm sorry,
But I'm never gonna come back. (Come back!)

And it's clear it's all gone,
Found out what we have- it just feels so wrong.
But nobody's gonna stop me,
Cause I'm never gonna come back. (Come back!)

(Come back)

So we wait just one day. (Come back!)
Gotta be a better way. (Come back!)
We've got no choice. (Come back!)
Somebody better say,
We've been waiting too long,
And it's taken too much of our time.
