Endless

Fox Stevenson

They call it new love, well that's the tagline anyway
It's faster, thicker, stronger than the rest around
She's got a crazy streak, I think it was made for me
But when I try to speak, I get cut down

Well she says I am just not ready for these problems that I cau
se
And I'd be better off if I was left ignored

But what can I say, I'm falling endlessly for you, for you, for
 you

Well she says I am just not ready for these problems that I cau
se
And I'd be better off if I was left ignored

But what can I say, I'm falling endlessly for you, for you, for
 you

Well I'm feeling unsucceeded, something tells me I'm not
Cause what I need and what I want just ain't the same anymore
I've been used I've been confused but still ain't got what I wa
nt
I know... I just gotta learn to cope

But if I can't, what happens then?
I do my best but don't succeed
I get these thoughts now and then
She's been playing games with me

I can't wait any longer, I'm doing what I can
I'm gonna be stronger, be a better man

I'm gonna do better, I'm gonna do better, I've got to be better
, ooh...

Well she says I am just not ready for these problems that I cau
se
And I'd be better off if I was left ignored

But what can I say I'm falling endlessly for you, for you, for
you
