

# For The Taking

Fox Stevenson

Doesn't matter  
That they don't think  
You're amazing  
'Cause I do  
You're not breaking  
You just keep on  
Hesitating  
Why don't you  
Take a step back  
Check the reasons  
While you're waiting  
Think it through  
Pick yourself up  
This is still yours for the taking

'Cause I do

Why don't you

Think it through

For the taking

'Cause I do

Why don't you

Take a step back  
Check the reasons  
While you're waiting  
Think it through  
Pick yourself up  
This is still yours for the taking

'Cause I do

Why don't you

Think it through

For the taking
