Knowhow

Fox Stevenson

Do you ever ever wonder if we could've done it better
If we took it all back
And gave it more time?

I never ever ever tried to keep myself together
I'm just making my tracks
And doing my time

Do you ever ever wonder if we could've done it better
If we took it all back
And gave it more time?

I never ever ever try to keep myself together
Cause I don't know how
