Something

Gotta be something  
Or nothing  
I'm not sure either way  
I just can't help feeling I'm lost  
Everyday

(Something)  
(Gotta be something)  
(Something)  
(Gotta be something)

Gotta be something  
Or nothing  
I'm not sure either way  
I just can't help feeling I'm lost  
Everyday

Something  
Gotta be something  
I just can't help feeling I'm lost  
Everyday
