

# Light Me Up

Foxes

Looking under two skies  
I don't know where you are tonight  
I don't want you as a feeling  
I hate when you're out of sight

Just keep calling my name  
Keep calling my name, keep calling my name  
You're all I ever want  
So just keep calling my name, keep calling my name

Cause you light me up, yeah  
You're all I ever want  
You take me up there  
You're all I ever need  
I always knew that it could be like this  
I always knew that it could feel like this  
You light me up, yeah  
Keep calling  
I'll be alright if I follow your light  
You light me up, yeah  
Keep calling  
I'll be alright if I follow your light

Stuck in a bad dream  
My fears take over  
I remember what you told me  
As I stumble by my feet

You said, "Just keep calling my name  
Keep calling my name, keep calling my name  
You're all I ever want  
Just keep calling my name, keep calling my name  
Cause you light me"

Cause you light me up, yeah  
You're all I ever want  
You take me up there  
You're all I ever need  
I always knew that it could be like this  
I always knew that it could feel like this  
You light me up, yeah  
Keep calling  
I'll be alright if I follow your light  
You light me up, yeah  
Keep calling  
I'll be alright if I follow your light

Your light, your light  
Your light, your light  
Just keep calling my name  
Oh, oh

Cause you light me up, yeah  
You're all I ever want  
You take me up there  
You're all I ever need  
I always knew that it could be like this

I always knew that it could feel like this  
You light me up, yeah  
Keep calling  
I'll be alright if I follow your light  
You light me up, yeah  
Keep calling  
I'll be alright if I follow your light

You light me up, yeah  
Keep calling  
I'll be alright if I follow your light  
You light me up, yeah  
Keep calling  
I'll be alright if I follow your light  
Your light, your light  
Just keep calling my name
