

Lich Prince

Foxing

Glued up
I feel so
Insulated
I feel desperate
I could wake up
But I won't
I feel slowed down
I've been shortchanged with the lord for too long
I've been thinking of new ways
To fuck with old friends
I just want real love for you
I just want real love for you

I just want real love for you...

I was drowned out
I was worth less
Than where I was
When you said I was rotten
Been thinking of new ways
To take old drugs
Been thinking of shortcuts
To dead ends

I just want real love for you...

For you
I feel like a house plant
...

You...
For you...
