

The Medic

Foxing

She says, "You always smell like cigarettes
And there's always whiskey on your breath
But you're the best that I can do
And I think I love you."

Now if you want me to slow down
Just tell me to slow down
Because I want to be loved

She says, "You don't love me you just love sex
But I can't wait around for something better than this
Because you're the best that I can do
And I wish I could leave you."
