

Deadhead

Foxwarren

One down, and I'm running
Turning once, watching you fade away
Twirl back, and you're laughing
Three down, and I am losing steam

But I won't stop dancing
Won't stop dancing
Won't stop
Won't stop dancing
Won't stop dancing
Won't stop

You always hold it together
You always tell me that I could too
Twirl back, and I'm laughing
When will I be through losing you?

Oh, I won't stop dancing
Won't stop dancing
Won't stop
Won't stop dancing
Won't stop dancing
Won't stop

Don't stop dancing with me
Don't stop dancing
Don't stop dancing with me
Don't stop dancing
Don't stop dancing with me
Don't stop dancing
Don't stop dancing with me
Don't stop dancing
