

# I'll Be Alright

Foxwarren

Morning light  
Shine down upon  
Shoulder blades  
My mistakes  
Oh I don't know  
Just what to do  
To be in love  
With anyone but you

Break it fast  
Don't turn  
Leave me on my side  
I'll be alright

Find it in  
The subtle parts  
The breathing wind  
On broken hearts  
Maybe it  
Will never do  
To stir awake  
With anyone but you

Break it fast  
Don't turn  
Leave me on my side  
I'll be alright  
I'll be alright

Break it fast  
Don't turn  
Leave me on my side  
I'll be alright
