

## Sleeping

Foxwarren

Everything that you say is sounding so true  
I keep nodding my head, forgetting I can't understand you  
Just a little twinkle in my eye  
I don't know where that guy went, but I could sure use more

I am the dancer, you run the show  
I don't understand why they won't leave us alone

A hop, skip, and I'm sleeping in the sky  
Oh, you were so nice  
I wonder if you know
