

To Be

Foxwarren

Kick it around
Find another dim town
To get a head full of ideas
Give it time
Leave the water, find the wine
Give me a hand on the wheel
To be alone
To be alone
To be alone

Smooth talker
Sells another good line
With a mouth full of steam
Takes his time
Never looks you in the eyes
He's got a head full of ideas
To be alone
To be alone
To be alone
To be alone
To be alone
To be alone
To be alone
