

Dancing With My Demons

Foxy Shazam

Dancing with my demons
Trying to conceal my boner
I've got a feeling
They won't be leaving
No time soon
I'm dancing with these demons
And they've got me screaming

Maybe she will
Maybe she won't
Listen, baby, listen
Maybe he will
Maybe he won't
Lone star belt buckle
Lone star belt
What the hell?

Dancing with my demons
Oh, for I need no reasons
It's just a feeling
Oh, what a feeling
Baby blue
I'm dancing with these demons
And they've got me screaming

Maybe she will
Maybe she won't
Listen, baby, listen
Maybe he will
Maybe he won't
Lone star belt buckle
Lone star belt
What the hell?

She wanna, she, she wanna, wanna
She wanna, she, she wanna, wanna

Maybe she will
Maybe she won't
Listen, baby, listen
Maybe he will
Maybe he won't
Lone star belt buckle
Lone star belt
What the hell?

What the hell? What the hell? What the hell?
How's everybody doing tonight?
What the hell? What the hell? What the hell?
Thanks for coming out
Then again I guess you really didn't have a choice, did you?

Am I right? (No!)

What the hell? What the hell? What the hell?

Ooh, under the neon lights of the boulevard

What the hell? What the hell? What the hell?
