

Don't Give In

Foxy Shazam

Lately I've been in a haze, a frozen Nicholson maze
A man that meant well but let his work get in the way
I'm going to try to do my best, I won't go to Minneapolis
There's no need to go so far if it's right here
But the devil said
Give up, give up, give up, don't give in...
Cut your umbilical cord and stand on your feet
Wild zoo before the storm, the condition I was born
Held captive to an instinct I can't ignore
Glinda the Good Witch told Dorothy the power's in you already
There's no need to go so far if the slipper fits
Hey oh, hey oh, hey oh, hey oh
And the devil said
Give up, give up, give up don't give in...
Cut your umbilical cord and stand on your feet
Cut your umbilical cord and get on with it
Be sure to give it some more and get on with it
Hey oh, hey oh, hey oh, hey oh
And the devil said
Be sure to give it some more and get on with it
Be sure to give it some more and get on with it
