

## Gonzo

Foxy Shazam

A liar is a man with a long nose  
Get your cop cars a check-up before the bad guy gets away  
A hero is a thing the Foo Fighters sing about  
Me, I'm just a man

I've gone gonzo  
I've gone gonzo  
I'm going gonzo

Caterpillar into butterfly  
A blooming canvas covered brilliant color caught the eye  
Poisoned like a black swan actress  
A most fantastic death wish

I've gone gonzo whoa oh  
I've gone gonzo  
I'm going gonzo whoa whoa [x2]

I think I'll go cannonball into the waterbed

I've gone gonzo whoa oh  
I've gone gonzo  
I'm going gonzo whoa whoa
