

Harmony so raw raw for real
Granny had a Ball like Lucille
Paint in blood so I can feel
Skin me live Coachella Deville
And she's so ill
And looks to kill
But I still see the child in your eyes
Once upon a time you were innocent
Till you heard those perfect words
Spoken from a beautiful tongue

And outside the door it's world war 1, 2, 3, 4 evermore

Let the car flames curl at your feet
Twirl girlie girl you light up the street
Burning up the currents of the everyday trends
It's hard to know if you are who ya say you are a friend

Erection of the holy wood
Crucifixion like a young man should
Somewhere a Dylan sobs on the Axl of a Rose
All according to the scripture

And outside the door it's world war 1, 2, 3, 4 evermore

Let the car flames curl at your feet
Twirl girlie girl you light up the street
Burning up the currents of the everyday trends
It's hard to know if you are who ya say you are a friend

Say you are
Say you are
Say you are
Say you are
A friend

And outside the door it's world war 1, 2, 3, 4 evermore

Let the car flames curl at your feet
Twirl girlie girl you light up the street
Burning up the currents of the everyday trends
It's hard to know if you are who ya say you are a friend

Say you are
Say you are
Say you are
A friend
