

Ain't Got news
No, we ain't got news
No, we ain't got the news
For you
No, we ain't got news
No we ain't got the Sunset Blues

How's it goin' baby
I'm doing fine but tell me, darlin' how are you?
Well here's a journal that I'm keeping' and I'm getting pretty
good at
Sleeping and staying in my room

Ain't Got news
No, we ain't got news
No, we ain't got the news
For you
No, we ain't got news
No we ain't got the Sunset Blues

Sticks and stones can break bones baby
But words can't definitely hurt
Is this how our Story Ends? Oh, so cool
I ain't got the reason
I ain't got the (time)
I'ma voracious reader, readin' all the time
But I ain't got much News
News news

Well you say you wanna see me but you always wanna meet me alone
You Call Me Up to talk-but you never even hear me at all
Drive me Crazy-in-Love
