

# The Thing Is

Foxygen

Well I'm so bad I must be wanted by the FBI  
I'm an America's top ten most wanted list-type guys  
Cause I'm just cool like that  
I'm a Winner  
I'm a Winner  
I'm a Winner and you know that it's true  
Yeah I'm a winner, five-piece chicken dinner  
I'm a winner and you know that it's true

But the thing is  
It's never easy being lonely  
The thing is  
It's never easy being a lonely lonely leanly lonely lonely boy

Well I got a bag to blow and a brand new medical card  
I must be driving towards success but I can't find the keys to  
my car  
Even if everyone is a Winner  
You're guna get lonely  
You're guna get lonely even if you're a loner

The thing is  
It's never easy being lonely  
The thing is  
It's never easy being a lonely lonely leanly lonely lonely girl  
The thing is, it's never easy being lonely
