

Hard Work

Foy Vance

Baby wants a diamond ring
Baby wants everything
Baby wants a Cadillac
Baby don't wanna live in my shack

Oh, if you want that girl
Gonna take hard work, hard work

Baby wants a baby soon
I just wanna howl at the moon
Baby wants her nails done
Baby wants to be a real beautiful mom

Oh, if you want that girl
Gonna take hard work, hard work

Baby wants a holiday
Baby want to ski in Maine
Baby wants another house
Somewhere warm like down south

Oh, if you want that girl
Gonna take hard work, ooh, hard work

(Hard work)

Baby wants a real good time
Baby wants it every night
Oh, baby wants a Superman
Oh, baby wants to bang on a left hand

Oh, if you want that girl
It's gonna take hard work, hard work
And oh, if you want that girl
It's gonna take hard work, hard work
It's gonna take hard work, hard work
