

## Malibu Jane

Foy Vance

Malibu Jane, oh Malibu Jane  
When will I see your face again?  
Well if ever you need a friend  
You just call out my name  
And I will hop back on the plane  
Malibu Jane

Kind is a word that suits you just fine  
Everybody needs their back got, I know you got mine  
And you're always being kind  
I've never once heard you complain  
Malibu Jane

Malibu Jane, oh Malibu Jane  
When will I see your face again?  
Well if ever you need a friend  
You just call out my name  
And I will hop back on the plane  
Malibu Jane

Pain is a word that you know well  
Yet if you are hurting, it's hard to tell  
Because you always wear a smile  
Even when your spirit wanes  
Malibu Jane

Oh Malibu Jane, oh Malibu Jane  
When will I see your face again?  
Well if ever you need a friend  
You just call out my name  
And I will hop back on the plane  
Oh I will hop back on the plane  
I will hop back on the plane
