

Sometimes

Foy Vance

One, two, three

Sometimes I feel like I'm alone in this life
And sometimes I feel you are the moon on my tide
Sometimes
Sometimes, sometimes
Sometimes I feel like you're right by my side
And sometimes I feel when you see me you hide
Sometimes
Sometimes, sometimes

Sometimes I feel like
You understand
And sometimes I feel I
I'm a free man

Sometimes I feel like a fatherless child
Sometimes I feel like my mind's out roaming in the wild
Sometimes
Sometimes, sometimes

Sometimes I feel like
You understand
Sometimes I feel like
I'm a free man

Sometimes I feel like there's no God up above
But sometimes the universe is like a backdrop to the simple life of love
Sometimes
Sometimes, sometimes, sometimes, oh
Sometimes

Sometimes I feel like
You understand
Sometimes I feel I
I'm a free man

All because of a simple lack of love, ah, alright
A simple lack of love, love, love, right, hey (A simple act of love), hey
A simple lack of love, love, love, alright, baby, uh, uh
A simple lack of love, love, alright
