

# It's Alright

## Fractures

It's alright, It's alright  
It's alright, It's alright  
It's alright, It's alright  
It's alright, It's alright

It's alright, It's alright  
You see the fault lines, started panicking  
It's alright, It's alright  
You confide in the low light, you're so kind  
You're caught up in the crossfire  
It's alright, It's alright

Don't get dragged through  
Don't be consumed  
Don't catch it through  
Don't be consumed

Get out the tight robes  
Keep your eyes closed  
Let her know you're falling  
Follow your shadow  
Lost count of the dice rolls  
And the man hoes fighting in the morning  
Acting like you don't know

Don't get dragged through  
Don't be consumed  
Don't catch it through  
Don't be consumed

It's alright, It's alright  
It's alright, It's alright  
It's alright, It's alright  
It's alright, It's alright
