

I'm the ceiling, the keeper of innocence
I'm the feeling, I'll only show up again
I'm the reason that everything's heavensent
I'm the stutter, the spit in your instrument
I uncover the things that are limited
I am something that lives on your consciousness

You're becoming what you're running from, what you never wanted
You said something, I said nothing, I don't know, I don't know
You're different, You're slipping, You're different
Just fix it, just fix it, just fix it

I'm the reason
I'm the reason
I'm the reason
I'm the reason

Hey with the half smile, are you in doubt, are you unsteady
Did you save faith, in a lost place, do you feel safe, do you

It comes in the pauses when in company and it slurs your speech, and
it slurs your speech
And it lingers for moments or eternity, robbing you of sleep, robbing
you of sleep

Come inside, is this what you're looking for
Take its pride, is that what you're looking for

I Surrender
I Surrender
I Surrender
I Surrender
I Surrender
I Surrender
I Surrender
I Surrender
I Surrender
I Surrender
I Surrender
I Surrender
I Surrender
I Surrender
I Surrender
I Surrender

(And I'm in your fortress, and I'm in your sleep)
(And I'm in the pauses and I'm in your speech)
(And I'm running circles and I'm running deep)
(And I'm the confusion and I'm yours to keep)
