

Twisted

Fractures

Am I supposed to feel something
Was I supposed to let you win
Why do these things keep happening
To me
I see these spirits hovering
They're forcing me, they're pressuring
The life I lived has now caved in
On me
And I'm twisted
I'm pushing you away
And I'm lonely
And I'm listless
I'm keeping you at bay
And I'm lonely
(Don't want to be lonely)
Somebody give me a reason
Can't somebody tell me why
I don't want to have to wait
I don't want to have to start again
And reset my mind
And I'm twisted
I'm pushing you away
And I'm lonely
And I'm listless
I'm keeping you at bay
And I'm lonely
I don't know why, but I'm sinking
Losing the light, I've lost the light
And I'm twisted
I'm pushing you away
And I'm lonely
And I'm listless
I'm keeping you at bay
And I'm lonely
