

Moonshine

Fran Healy

Well my eyes are closed
But my heart's on fire
Because the clock is approaching
The midnight hour
I leave my window open
All the lights are out
And from the darkest night
Comes the lightest shout
Moonshine
Moonshine moon
The cow jumped over the moonshine moon
Moonshine
Moonshine moon
I'll love you tonight under the moonshine moon
Well as we walk through the streets
There's no-one nowhere
And our nightgown's trailing
And our feet are bare
I don't know where we're going
And I don't care
Just as long as you're here
And the moon's up there
Moonshine
Moonshine moon
The cow jumped over the moonshine moon
Moonshine
Moonshine moon
I'll love you tonight under the moonshine moon
Now all the little boys and girls around the town
Dreaming through the darkness till the moon goes down
But me and my baby gonna be up all night
Dancing under the moonlight
Moonshine
Moonshine moon
I'll love you tonight under the moonshine moon
Moonshine
Moonshine moon
The cow jumped over the moonshine moon
