

All The Things We Say

Franc Moody

All the things we say
All the things we say and do
All the things we say
All the things we say and do

I'm tuning out
I'm tuning out
I'm tuning out

It goes on and on and on and on and on
All the things we say
It goes on and on and on and on and on
All the things we say

All the things we say
(All the things we say)
All the things we say and do
(All the things we say and do)

I'm tuning out
(All the things we say and do)
I'm tuning out
I'm tuning out

All the things we say
All the things we say and do

It goes on and on and on and on and on
It goes on and on and on and on and on
It goes on and on and on and on and on
All the things we say
It goes on and on and on and on and on
All the things we say and do
It goes on and on and on and on and on
All the things we say
It goes on and on and on and on and on
All the things we say and do
