

## Cherry

**Franc Moody**

Somewhere out of the dark  
There's a part of me growing  
Where time doesn't matter  
None of it matters  
You came along, headstrong  
I couldn't stop you growing on me  
Time doesn't matter  
None of it matters anymore

Cherry  
My cherry girl  
Now I've got everything  
Cherry

There's bigger things in life  
Than my own cheap vanity  
All that wasted energy  
My Cherry girl  
I come alive when you smile  
You make me lose my gravity  
All those wasted melodies  
Now I got everything

Cherry  
My cherry girl (my cherry girl)  
Now I've got everything  
Cherry  
Cherry  
My cherry girl (my cherry girl)  
Now I've got everything

[illegible]

Cherry, oh oh  
Cherry  
Cherry, oh oh  
Cherry, cherry, cherry, cherry  
Cherry, cherry, cherry, cherry

Cherry  
Cherry  
Cherry, oh  
Cherry

[illegible]

She's got a hold on me

Cherry

Cherry

Cherry, cherry, cherry, cherry

Cherry, cherry, cherry, cherry
