

Going Through The Motions

Franc Moody

I'm going through the motions
I'm going through the motions
I'm going through the motions
(I'm going through the motions)

(I'm going through the motions)

Oh my Lord, I'm in the sweet spot
I need energy
Oh my Lord, I'm in the sweet spot now
I need energy, give me sugar, please

I'm going through the motions (Going through the motions)
Need the inspiration
I'm going through the motions (Going through the motions)
Need the inspiration
I'm going through the motions (Going through the motions)
Need the inspiration

(I'm going through the motions)

Oh my Lord, I'm in the sweet spot
I need energy
Oh my Lord, I'm in the sweet spot now (Woo-hoo)
I need energy, give me sugar, please (Going through the motions
)
Oh my Lord, I'm in the sweet spot now (Woo-hoo)
I need energy, give me sugar, please (Going through the motions
)
Oh my Lord, I'm in the sweet spot now (Woo-hoo)
I need energy, give me sugar, please (Going through the motions
)
Oh my Lord, I'm in the sweet spot now (Woo-hoo)
I need energy, give me sugar, please
