

Space Between Us

Franc Moody

I wanna move in the same constellations
I wanna flow in the same conversations with you

Bodies in time and space
No longer held by the same forces
Fractures turned into breaks
Criminal don't you think?

Oh the space between us
Oh the space between us
Oh the space between us
Oh the space between us

Can you feel it?
Can you feel it?
Can you feel it?
Can you feel it?

I wanna swim in the same constellations
I wanna float in the same vibrations as you

Oh the space between us
Oh the space between us
Oh the space between us
Oh the space between us

Space between us

Space between us
Can you feel it?
Can you feel it?
Space between us
Can you feel it?
Can you feel it?
Space between us
Can you feel it?
Can you feel it?
Space between us
Can you feel it?
Can you feel it?

I wanna move in the same constellations
I wanna float in the same vibrations as you
