

# Tired Of Waiting

**Franc Moody**

Tired of waiting  
I'm tired of waiting

I've never been this far

I'm tired of waiting  
I've never been this far  
I'm tired of waiting  
I've never been this far

I'm tired of waiting  
I've never been this far  
I'm tired of waiting  
I've never been this far

I'm tired of waiting

I'm tired of waiting  
I've never been this far

I've never been this far from home  
I'm tired of waiting  
I've never been this far  
I've never been this far from home  
I'm tired of waiting  
I've never been this far

I've never been this far
