

Certified Fool

Frances Forever

Thought by graduation I'd know my place
Such anticipation just for face
Mom put up the photos on her Facebook page
Frances finished college to go on stage

Was young and dumb but now I'm just dumb
I wanna go back to high school
All of these years spent biting my tongue
Now I'm a certified fool

I'm a fool
I'm a fool

Can't keep anything round me alive (alive)
Bought a potted plant, it almost died
Therapist told me to go outside
Today I'm too tired, tomorrow I'll try

Was young and dumb but now I'm just dumb
I wanna go back to high school
All of these years spent biting my tongue
Now I'm a certified fool

I'm a fool
I'm a fool

I'm too tired
I'm too tired
I'm too tired
