Frances Forever

I've worn these socks for three days straight  
My hygiene's down the fucking drain  
And I don't care about myself  
I'm sick and tired of people telling me  
To get my shit together  
Got the world ahead of me  
I've tried but it's easier to sleep a bit more  
My shoulders feel heavier and heavier  
Can't recognize my face when I look in the mirror  
Are they dead or just tired?

I just wanna put dirt on my fucking face  
Live in the woods and don't go to waste  
My life on a 9 to 5  
I wanna be alive

Don't wanna waste my time  
I wanna be alive  
I can't sleep at night  
Without my knuckles white

Don't wanna waste my time  
I wanna be alive  
I can't sleep at night  
Without my knuckles white

Don't wanna waste my time  
I wanna be alive
