

# Stuck

Frances Forever

I'm stuck inside my brain  
Inside my brain  
Inside my brain

Stuck  
I'm stuck again  
Spread out on my floor  
Thinking about my chores  
Oh well, I'm stuck  
I don't know when (don't know, don't know)  
It started or where it ends  
Time's an illusion

Oh shit  
An hour went by (by)  
Between the first verse and the second  
I could've sworn it was just a second

Inside my brain  
I can sit for days  
Sippin' lemonade

I'm stuck in here  
I disappear  
From reality  
A lucid dream

(Here we go a-)

Fucked  
Fucked in the head  
Why am I like this (you're mentally ill dude)  
Should I be on meds

Oh my god, shut up (shut up)  
It's not that bad (it's not that bad)  
I still got tomorrow (tomorrow)  
And the day after that

Here we go again (here we go again)  
Here we go again (here we go again)  
Here we go again (here we go again)

Inside my brain  
I can sit for days  
Sippin' lemonade

I'm stuck in here  
I disappear  
From reality  
A lucid dream

I'm stuck inside my brain  
Inside my brain  
Inside my brain  
Can't feel, can't feel no pain  
Can't feel no pain inside my brain

Inside my brain (still stuck inside my brain)  
I can sit for days (inside my brain, inside my brain)  
Sippin' lemonade (inside my brain)  
Inside my brain
