

# The Last Word

Frances

It's hard to admit, all said and done  
That maybe our time has already come  
Why do we feel, things we don't want to feel  
Tell me I'm wrong, tell me it's not real

Don't say my name  
Don't touch my hand  
You say the last word  
Cause I don't think I can  
Don't make it last  
Longer than it should  
You say the last word  
I would if I could

Please don't you cry, don't shed a tear  
Cause the worst thing about all of this  
Is seeing you so confused and just as hurt as me

Don't say my name  
Don't touch my hand  
You say the last word  
Cause I don't think I can  
Don't make it last  
Longer than it should  
You say the last word  
I would if I could

Oh-oh-oh-oooh  
Oh-oh-oh-oooh  
Oh-oh-oh-oooh  
Oh-oh-oh-oooh  
Oh-oh-oh-oooh  
Oh-oh-oh-oooh  
You say the last word  
I would if I could

Don't say my name  
Don't touch my hand  
You say the last word  
Cause I don't think I can  
Don't make it last  
Longer than it should  
You say the last word  
I would if I could

You say the last word  
I would if I could
