

Basic Instinct

Francesco Yates

Ooh-ooh
Huh-huh

You got me Sharon Stone
I'm acting young and reckless
I'm breathing through my ears
My lust is dumb and desperate
I'm breaking rules, say how did you
Get my pants on your floor?
You're so amused by your abuse
You said, "Come back for more"

Uh-oh, what's that sound?
It's the bad bitch back in town
Evil mastermind
Yeah, you said, "Boy, your soul is mine"
I said, "Uh-oh, what's that sound?"
If to dive, then I'm gon' drown
'Cause you got me thinkin' of

My basic instinct to love, ah-ah-ah
My basic instinct to love, ah-ah-ah
My basic instinct to trust, ah-ah-ah
My basic instinct to love
You got me thinkin' of
My basic instinct to love

My sexy sociopath
Love bombing and discarding
Now I can't do the math
Lord knows just where your heart is
But who am I to criticize
When I keep coming over?
You said you're mine
Will you still be mine even my fun's all out?

Uh-oh, what's that sound?
It's the bad bitch back in town
Evil mastermind
Yeah, you said, "Boy, your soul is mine" (Ooh yeah)
I said, "Oh-oh, what's that sound?"
If to dive, then I'm gon' drown
'Cause you got me thinkin' of

My basic instinct to love, ah-ah-ah
My basic instinct to love, ah-ah-ah
My basic instinct to trust, ah-ah-ah
My basic instinct to love
You got me thinkin' of
My basic instinct to love

Ooh, basic instinct to love, oh-oh, yeah
Your so sweet toxic love
Yet, I can't get enough
And I know you got me thinkin' of ('Cause you got me thinkin' of)

My basic instinct to love, ah-ah-ah

My basic instinct to love, ah-ah-ah
My basic instinct to trust, ah-ah-ah (Yeah)
My basic instinct to love
You got me thinkin' of
My basic instinct to love, ah-ah-ah (Oh yeah)
My basic instinct to love, ah-ah-ah
My basic instinct to trust, ah-ah-ah
My basic instinct to love
You got me thinkin' of

My basic instinct to love
Ooh, baby
