

Queen St. Blues

Francesco Yates

Tell me your little story

Til I knew you with trouble that I had to make
When I saw you dancing and looking my way, so I
Took a moment and said I would go
But you looked like someone that I got to know, so
We danced, stayed out so fast
Saw a text on your phone that you didn't reply, then I
Walked you home, knew us play for sure
When a some of best friends standing next your door, yeah

Sa, ra, ra, ra, ra, ra, ra
Sa, ra, ra, ra, ra, ra, ra
Ooh-ooh, ooh-ooh
Sa, ra, ra, ra, ra, ra, ra
Sa, ra, ra, ra, ra, ra, ra
Ooh-ooh, ooh-ooh

Said he's just a friend, didn't think it through
I said, "What's good, Erik?", he said, "Nothing, you?", so I
Dropped you off, said goodnight and then
I fast forward to the weekend when the end begins
Pulled up to the crib, heard a noise upstairs
Let myself in and I saw you there, and I
Took a look and my face was red
'Cause I saw you and Erik fucking in my bed, yeah

Sa, ra, ra, ra, ra, ra, ra
Sa, ra, ra, ra, ra, ra, ra
Ooh-ooh, ooh-ooh
Sa, ra, ra, ra, ra, ra, ra
Sa, ra, ra, ra, ra, ra, ra
Ooh-ooh, ooh-ooh

You said, "Baby, let me explain"
I said, "I should've known you were gonna do me this way"
Erik said, "You told him we were broken up"
Right before I left and the door was shut
Heard the doorbell ring and I rushed to see
Who could be our late-night company?
It was Erik's girlfriend standing at the door
I forgot I was with her the night before, oh

Sa, ra, ra, ra, ra, ra, ra
Sa, ra, ra, ra, ra, ra, ra
Ooh-ooh, ooh-ooh (Oh, what you doin', what you do?)
Sa, ra, ra, ra, ra, ra, ra (What you do?)
Sa, ra, ra, ra, ra, ra, ra (When I take you out of house late at night?)
Ooh-ooh (Oh yeah), ooh-ooh

So I knew you were trouble that I had to make (Had to make)
When I saw you dancing and looking my way (Looking my way), so I
Took a moment and said I would go, but you
Looked like someone that I got to know, so (Oh, babe)

Sa, ra, ra, ra, ra, ra, ra (What you doin'?)
Sa, ra, ra, ra, ra, ra, ra (Why you do me like that, no?)

Ooh-ooh, ooh-ooh (Why you gotta do me like that?)
Sa, ra, ra, ra, ra, ra, ra (Bad day)
Sa, ra, ra, ra, ra, ra, ra (Come on, bae)
