

Superbad

Francesco Yates

Oh, now
She's a criminal tonight
She gon' steal this heart of mine
But I like it

Oh, now
She's a dirty, dirty one
She gon' take my love and run
But I like it

She just wanna party, yeah
Said she just wanna party tonight
Ain't tryin' to love nobody, yeah
'Cause she just wanna party and be wild, yeah

My girl is so superb
Oh, she's so superb
My girl is so superb
My girl, she gon' drive you mad
Oh, she gon' drive you mad
'Cause my girl is so superb

Oh, now
She's a criminal tonight
She gon' steal this heart of mine
But I like it
Oh, now
I should leave the girl behind
But it's cool, yeah, I don't mind
'Cause I like it baby

She just wanna party, yeah
'Cause she just wanna party tonight
Ain't tryin' to love nobody, yeah
'Cause she just wanna party and be wild

My girl is so superb
Oh, she's so superb
My girl is so superb
My girl, she gon' drive you mad
Oh, she gon' drive you mad
'Cause my girl is so superb
My girl is so superb
Oh, she's so superb
My girl is so superb
My girl, she gon' drive you mad
Oh, she gon' drive you mad
'Cause my girl is so superb

Beautiful and naughty, yeah
She know that she got me tonight
Ain't tryna love nobody
'Cause she just wanna party and be wild

My girl is so superb
Oh, she's so superb
My girl is so superb
My girl, she gon' drive you mad

Oh, she gon' drive you mad
'Cause my girl is so superb
My girl is so superb
Oh, she's so superb
My girl is so superb
My girl, she gon' drive you mad
Oh, she gon' drive you mad
'Cause my girl is so superb
