

# I Want You To Shake

Francis And The Lights

Did you sleep?  
Did I keep you awake dear?  
Did you dream?  
Of somewhere in the middle?  
Was it great?  
Was it what you expected?  
Something great?  
Or just  
Somewhere in the ballpark?

I want you to shake  
I want you to shake  
I want you to shit  
Not just  
Somewhere in the ballpark

Don't you dare to be loathed  
Something far more controlled  
Don't you dare tell me nothing  
Not just  
Somewhere in the ballpark  
I got you  
Oooh, oooh  
Oooh, ooooooh  
Oooh, ooooh  
Somewhere in the ballpark

Did you lie for a come up?  
Was your meaning obscured?  
Did you die for a reason?  
Not just, not just, not  
Want to think  
Somewhere in the ballpark

I want you to shake  
I want you to shake  
I want you  
Not just somewhere in the ballpark
