

# It's Alright To Cry

Francis And The Lights

There's an easier way to say it  
But I don't think I can say it  
There's a simple way to describe it  
But I don't think I should try to describe it

It's alright to cry, it might make you feel better baby  
It's alright to cry, it might make you feel better baby  
Better baby

I wouldn't bother leaving  
If leaving didn't mean you had to say goodbye  
I always want to leave  
But I never want to say goodbye, oh

It's alright to cry, it might make you feel better baby  
It's alright to cry, cry, cry, it might make you feel better ba  
by  
Better baby, better baby, oh, oh  
(I want to show you my love, show love...)  
It's alright to cry, it might make you feel better baby  
It's alright to cry, cry, cry, it might make you feel better ba  
by (Show my love, your love, yeah I'll show...)  
Better baby, better baby, oh, oh

Baby I told you I'm sorry  
I was waiting on a different story  
I'm still waiting on it  
While I was waiting for it to come  
Now I know, now I see the difference  
Now I know the truth

It's alright to cry, it might make you feel better baby  
(Your love, your love, your love)  
It's alright to cry, it might make you feel better baby

Oh, oh, oh, oh  
Mmm oh, mmm oh, mmm oh  
Woah, oh, well...  
Mmm oh, mmm oh  
Ayy, ayy, oh, oh  
Your love is an empty well  
Black as night  
And they poke at me  
They kill me  
Leave me as ice
