

Never Back

Francis And The Lights

There is no God
There are no rules
But I wish there was something that I could do

No, you'll never go back in...time
Why you think so?
No, you'll never go back in...time
And you can't see the future
You could come back home

I see a vision of us two
You're taking pictures and I'm in the pool

No, you'll never go back in...time
Why you think so?
No, you'll never go
And you can't see the future
You could come back

No, you'll never go back
No, you'll never go back in...time
