### Francis And The Lights

Mother mine  
Look at my life  
What have I done?  
I let you down  
But look at me  
Look at me now  
I said where?  
I said where?

Father, father  
I spent a long time, long time  
Looking for a father figure  
No, no, no  
Afraid  
I don't care anymore  
I don't care  
I said where?  
I said where?  
Baby, baby  
I'm sorry now  
Sorry that I made you cry  
I didn't mean to hurt you, girl  
I was just jealous  
Just a jealous guy  
But I'm a man now  
I said where?!  
I said where?
