Stupid Me

Franco

Stupid me, I killed you
Constantly my flowery deceit envelopes you
Stupid me, oh no

Ever have no sleep for days
Scarring bruise around my face fades

Stupid me, I pushed you
Pushed you away, so far away your light slowly fades
Stupid me, oh no

Feed my tongue, a liar's brew
Always lying to get through
You

Stupid me
Stupid me
Stupid me

Hold my mask enough too hide into
Shame my face, it's black and blue
Your cup is empty, share my bitter tea
Hold my mask enough too hide

Stupid me, I killed you

Ever have no sleep for days
Scarring bruise around my face fades
